

Warranty Extension

BEESERVICE EXTENDED

Terms and fundamentals:

1. CONTRACT PURPOSE

1.1. The warranty extension enables the prolonging of the standard warranty for an additional period of one, two or three years, according to what the Customer opts for.

1.2. The service has the cost of 49.90 euros for the additional period of one year, 99.90 euros for the additional period of two years and 149.90 euros for the additional period of three years. The current rate of VAT must be added to these prices.

1.3. The service is valid for BEETHEFIRST, BEETHEFIRST+ and BEEINSCHOOL 3D printers.

1.4. The terms and conditions apply jointly with the terms and conditions of the standard warranty and prevail in case of a conflict.

1.5. The service does not affect the user's legal rights.

2. EXPIRATION DATE AND SERVICE ACTIVATION

2.1. The warranty's validity begins on the date of expiration of the standard warranty and for the duration chosen by the Customer.

2.2. Subscription of this service must be done upon purchase of the product or up until a maximum of six months after the date of purchase, by sending a digital copy of the invoice, showing proof of purchase of the product, to BEEVERYCREATIVE's Customer Service at: customer_service@beeverycreative.com.

2.2. BEEVERYCREATIVE and all its authorized distributors reserve the right to demand proof of purchase (for example, a cleared invoice).
